Issue 4

Debris & Trash Disposal Guidelines for Clark Co.

Clark County residents should separate and prepare trash for proper disposal using the following guidelines:

- **Household Waste** (trash, food, paper, etc.): Put in trash bags or cans and leave it at the curb.
- **Construction and Demolition Debris** (shingles, treated lumber, glass, etc.): Separate it from other trash. Take it to the landfill or leave it at the curb.
- **Heavy trash day material** (furniture, carpet, drywall, large plastic toys, etc.): Put it with the construction and demolition debris. Take it to the landfill or leave it at the curb.
- **Appliances, televisions, household hazardous waste, household cleaners, etc.:** Deliver to the receptacles at the Furnish Mini Storage (corner of SR 31 and Railroad St.). Or place on curb separate from other debris.
- **Vegetative debris:** Deliver to Earth First in Sellersburg.

Rain Expected All Day Thursday

The National Weather Service predicts up to an inch of rain to fall before midnight tonight. Wind gusts could be as high as 21 mph.

Curfew for Henryville, Marysville and Nabb

Despite media reports, the curfew remains in place from 6 p.m. to 6 a.m. Overnight travel is restricted to emergency and public safety personnel.

Crisis Counseling Available

Counselors are available in the affected area, via phone (866-679-4631 or 800-985-5990), or via SMS (text "TalkWithUs" to 66746).

Salvation Army meals

- Borden - Mobile unit
- Henryville - Henryville Firehouse and a mobile unit
- Marysville - Mobile unit
- Sellersburg - Food truck at the One Stop Shop

For minor first aid and tetanus shots, go to the Henryville Fire Department.

Henryville Water Boil Advisory Remains in Effect

Residents should continue to **boil all water** used for drinking, cooking, or brushing teeth. The boil advisory will remain in place through Friday and may be extended. The water company continues to adjust chlorine levels and wants to ensure the water is safe before lifting the order.

Boil water for 5 minutes before use. Aerating the boiled water by mixing or pouring it between two containers will reduce the flat taste caused by boiling.

Water that has not been boiled can be used for bathing, cleaning, and washing clothes. Dishwashers can be used if they have a sanitizing cycle. Hand wash dishes, cookware, and utensils by:

1. Washing the dishes as normal.
2. Adding 1 teaspoon of bleach per gallon to lukewarm water. Immersing the dishes for at least 1 minute.
3. Allowing the dishes to air dry completely.

One Stop Shop Continues Service

The One Stop Shop is open seven days a week from 8 a.m. to 8 p.m. at the Ivy Tech campus near I-65 and highway 311 (I-65 Exit 9). Services include ID replacement, vehicle information replacement, insurance assistance, vaccination information, unemployment applications, and food stamp replacement.

Child Care at One Stop Shop

Beginning Saturday, child care will be available to help families while they are at the One Stop Shop. CJ's Bus will feature activities, crafts and games for children in a safe environment.
